

Verification of 3 Year Land History of New Fields

When to use this form: This form is to be used by any new or continuing producer wishing to add a new field to their Organic System Plan.

Who should complete this form: This form is to be completed and signed by whomever has had direct management rights to the land for the past three years. If it is not possible to communicate with the previous *land manager*, this form may be completed by the previous *land owner*, only if the land owner is able to demonstrate that they have direct and specific knowledge of activities performed/materials applied on this field through direct control and/or specific terms of a lease agreement.

If more than one person has managed this field for the past three years, each manager must provide the information requested and sign for the time period when they managed the field.

Applicant Name:		Applicant Business Name:	
Field ID/Name:	Acreage:	Town & state where field is located:	

	Manager Name (printed):	Dates under management:	Crops grown:	Date and name of field amendments applied (ex. Manure, urea, herbicides, etc.):	I attest that the information provided is true and accurate to the best of my knowledge:
