

NOFA-VT 39th Annual Winter Conference - 2021 Registration Form

Your registration for the conference gives you access to all livestreamed events throughout the month including keynote speaker Sherri Mitchell, two featured panel discussions, 20 workshops and roundtables, and special engagement opportunities. You will also receive access to video recordings of the keynotes and workshops post-conference.

We believe that all voices must be present and represented for our movement to be whole. Our sliding scale registration fee creates more equitable access to this event. The true cost of putting on this virtual conference is over \$100 per person. Please pay the amount that fits your budget. Paying over the suggested \$80/\$100 member/non-member rates will

help support the conference registration fees for someone who is unable to pay that cost. We do not intend for cost to be a barrier to participation. If you are unable to pay the minimum ticket price of \$30, please contact Livy at livy@nofavt.org or 802-434-7153.

NOFA-VT offers the option of free registration for our annual Winter Conference to anyone who identifies as Black, Indigenous, or a person of color (BIPOC). NOFA-VT provides this offering in an effort to actively work toward dismantling systems of racism that have historically disadvantaged BIPOC and continue to do so today.

Thank you!
